**Instructions: Cut the sentences below and distribute them to the groups. Unscramble before handing them in to the students.**

I'm afraid I have to disagree with you there.	I couldn't agree with you more.
I disagree.	You're absolutely right.
Not at all!	No doubt about it.
I respect your point but from my perspective (or but in my opinion)...	
I don't accept that.	You have a point there.
No, I don't agree.	That's exactly how I feel.
I understand what you're saying, but...	I was just going to say that.
I agree with that but...	I suppose so.
Although you're right about that, I can't accept that...	I hold the same opinion.
