---

5) What kind of music do they sing?

---

6) What is the music reviewer's opinion about the album? Justify your answer with an excerpt from the text.

---

---

---

---

---

7) In order to base some of his arguments on, the author cites names of songs. Take from the text examples of arguments that present names of songs as an evidence.

---

---

---

---

---

---

8) Write the evidences for the main arguments of the text described below:

a) Although members have dabbled in solo careers, there's a real feeling of completeness when these five... click back into formation.

---

---

---

---

b) Ten is an update of 2006's best-of The Sound of Girls Aloud...
