

So I was thinking of video ideas,

00:01

when I thought I could talk

00:02

about Stupid Things I believed as a kid.

00:04

But the only thing I could really think of

00:06

was the fact that I thought

00:06

If I ate too many bananas,

00:08

I would turn into a monkey.

00:10

And I didn't want that to happen, so I

00:12

stopped eating bananas and have grown a distaste to them ever since.

00:14

So I asked my twin sister, who's name's Faith by the way,

00:18

If she could remember anything I believed.

00:20

She couldn't think of anything about me, but,

00:22

gave plenty of examples about things she believed.

00:25

So here we go, for the sake of comedy

00:26

I'm gonna exploit my twin sister.

00:28

"Stupid Things my sister believed as a kid"

00:31

...but not anymore.

00:32

So we have this older sister who was like eight,

00:35

no 9 years older than us.

00:36

And she told my sister that,

00:38

the computer could talk back to us through typing.

00:40

It happened because Faith was on the computer,

00:43

an error message popped up.

00:44

She asked my older sister what was wrong with it.

00:46

And she said, "The computer says you're typing on it too hard,"

00:50

Faith asked her to tell the computer she was sorry.

00:52

And soon she was having a full on conversation with it,

00:54

on a regular basis.

00:55

But the older sister would have to be there to communicate.

00:58

Tell him I got a 100 percent on my spelling test!

01:01

Okay, I'm typing it in!

01:03

SRHJIKLJKGHGHJHK

01:05

What did it say?

01:06

It says it DOESN'T CARE.

01:07

Another thing, was that one time my sister was

01:09

drinking water and saw a bug in her drink.

01:12

She freaked out and poured the water out.

01:13

But my older brother said,

01:15

You know something scary?

01:17

Since you were drinking water, you could see the bug.

01:19

But if you drink something like uhh, milk?

01:22

You wouldn't see it.

01:24

whisper Because milk isn't clear like water...

01:26

So she stopped drinking milk for a while.

01:28

But she drinks them now...

01:30

of course...

01:31

So this one time, our dad came to us and said,

01:33

Come on kids, we have to go! It's buy 1 get 1 free!

01:37

But he said it kinda fast,

01:38

So it sorta formed into one word...

01:40

So he said, Come on kids, it's

01:42

BUYONEGETONEFREE

01:43

And we were like... What's buyonegetonefree?

01:45

Do you know what buyonegetonefree is?

01:46

I don't know what buyonegetonefree is...

01:48

Then what's buyonegetonefree?

01:49

My sister asked if we could buy things at buyonegetonefree,

01:52

My dad was like, yeah.

01:53

So she brought her own money.

01:55

We were waiting in the car for Dad to get ready,

01:57

When my brother said, you know,

01:59

At Buyonegetonefree, there's skeletons that pop out

02:03

and steal your money.

02:04

So I thought, Oh!

02:04

this buyonegetonefree is like an

02:06

outdoor horror place huh?

02:08

And that scared my sister, and she didn't take her money.

02:11

When we got to buy one get one free, it was just a

02:12

GROCERY STORE!

02:14

And my Dad was excited about the sale on milk.

02:16

You know, I'm beginning to realize that a lot of these problems

02:19

exist because older siblings suck.

02:21

So this one I believed in too.

02:23

You know how sometimes airplanes have those little smoke trails coming out?

02:27

What we thought, that those airplanes were what made clouds.

02:30

All those clouds.

02:32

Just a bunch of airplanes.

02:33

And I remember seeing a factory with steam stuff coming out,

02:36

and I thought, wow.

02:38

That's a very big cloud maker.

02:41

Another funny thing is that my sister believed in the Tooth Fairy,

02:44

way longer than she believed in Santa Claus.

02:46

That's because my parents didn't make us believe in Santa Claus.

02:49

You know, we just pretend Santa's real, like

02:52

You know Mickey Mouse?

02:53

Mickey Mouse isn't real.

02:54

You know how like, someone dresses up as him,

02:57

and goes to Disneyland.

02:59

Well, it's kinda like the same thing, and

03:00

you know we just pretend that he's real.

03:03

We PRETEND that he comes and visits us every night, you know.

03:06

We just pretend.

03:07

So yeah, we never really believed in Santa Claus,

03:09

but for some reason, our parents made us believe in the Tooth Fairy!

03:13

So yeah, that's about it.

03:15

Glad i didn't believe in some stupid crap like my sister.

03:18

Haha.. uhh.
