

	<p>You are selling an old doll. It's in great condition. It comes with a dress. Sometimes it makes weird noises in the middle of the night.</p>		<p>You are selling a car. It's red and it was made in 2002. It only has 2 wheels.</p>
	<p>You are selling a goldfish. It comes with a fishbowl. The goldfish can't swim.</p>		<p>You are selling a watch. It's blue and made of leather. It has no battery.</p>
	<p>You are selling tickets to a new version of the play Hamlet. It's in a great new theater. In this version, all the actors are actually mimics, and they don't speak for the entire duration of the play.</p>		<p>You are selling 15 socks. They are made of cotton and great quality. All of them don't have their pairs.</p>
	<p>You make cakes for parties and are offering your services. You have a lot of experience and can make many different types of cakes, but you are allergic to sugar, so you don't use it.</p>		<p>You are offering your services as a cleaner. You want to clean houses and apartments for a good price, but you have no experience.</p>

	<p>You are offering your services as a music teacher. You love music and love teaching, you have listened to many cds in your life and you know the names of many singers, but you can't play any instruments.</p>		<p>You are selling your son's old toys. It's a box with about 20 toys for a great price. The only problem is your son liked to bite when he was a baby, so all the toys have teeth marks.</p>
	<p>You are selling an old cellphone. It's a great brand, made this year and it has all the features: good camera, bluetooth connection, good screen resolution... You are selling it because you set the language to Chinese by accident, and now nobody you know can use it.</p>		<p>You are selling a microwave. It is in good condition, almost as new. It's clean and it has a cool design. The only problem is that it started to make food cold instead of hot when you use it.</p>
