

Student 1 (Cashier)

Cashier: Good morning! How may I help you?

Customer: _____

Cashier: Would you like any toppings?

Customer: _____

Cashier: Vegetables, pepperoni and sausage.

Customer: _____

Cashier: Medium soda is \$4.00 and a slice is \$2.50. Six fifty is your total.

Customer: _____

Cashier: It's three dollars and eighty-five cents.

Customer: _____

Cashier: Small popcorn is \$4.50.

Customer: _____

Cashier: Sure. Fourteen dollars and eighty-five cents.

Customer: _____

Cashier: Right over there.

Customer: _____

Student 2 (Customer)

Cashier: _____

Customer: I'd like a medium soda and a slice of pizza.

Cashier: _____

Customer: What kind of toppings do you have?

Cashier: _____

Customer: No, thanks. Just plain pizza.

Cashier: _____

Customer: Hmm... And how much is the bar of chocolate?

Cashier: _____

Customer: I'll have one of those, please. And how much for the small popcorn?

Cashier: _____

Customer: I'll take a small popcorn as well. Can I have extra salt and butter, please?

Cashier: _____

Customer: Here you go. Thanks. Where can I get the soda?

Cashier: _____

Customer: Thanks.
