

**Imagine you are going to rewrite Winston Churchill's speech to be published in a newspaper, how could you replace the repeated words using different words and expressions?**

"We shall not flag or fall. We shall go on to the end. We shall fight in France, we shall fight on the seas and oceans, we shall fight with growing confidence in the air, we shall defend our island, whatever the cost may be, we shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and the streets, we shall fight in the hills. We shall never surrender."
