

Instructions

1. Your quiz needs to have at least 5 questions.
 2. Every question should have 4 options of answer, one to match each one of the final results.
 3. Try to use the three tenses (present, past and future) at least once.
 4. The questions must be about traveling and use some of the vocabulary we studied.
 5. Keep in mind this is a personality quiz, so you should make the questions so as to evaluate which one of the results is the best to the person taking the quiz.
 6. The questions may be as simple as "How often do you travel?" or more elaborate as "On your last vacation, how did you spend most of your time?", just make questions that will help you achieve the purpose of the quiz.
 7. Try to make it fun, people love taking quizzes as a pastime.
