

The Three Little Pigs

The True Story of the Three Little Pigs

## The Three Little Pigs

## The True Story of the Three Little Pigs

Pigs' point of view	Pigs do not let him in	Pigs lived with their mom and then moved out
The brothers ran from one house to another when their houses fell down	There was a pot of boiling water in the fireplace	Wolf blew down the houses on purpose
Brick house is not damaged	Last pig calls the police	Big bad wolf
Stick house	Wolf goes to jail and tells his story	Wolf wanted to eat the pigs, but couldn't
Brick house	Wolf needs a cup of sugar	Wolf destroys straw and stick houses
The last pig talks badly about the wolf's granny	Newspaper reporters think his story is too boring and make him the Big Bad Wolf	Wolf descended down the chimney of the brick house
Straw house	The three pigs are rude to wolf	Three little pigs
Wolf eats the pigs because he didn't want to waste food	First two pigs die by accident	He sneezes and destroys the houses by accident
Wolf has a cold	Wolf's point of view	Ends badly for the wolf
