Poster Planning

1) Before you start your poster let's make some planning. Complete the information below about your work.

a) Theme: <u>Help the world.</u>

b) Subject: <u>5 easy ways to help the world</u>

c) Think about 5 things we can do that can help the world. You can think about the environment, behavior. etc. Write down your ideas. Remember: You're making a poster, so the language must be easy to understand and must call the reader's attention. Use verbs in imperative form.

1. _____

_____

2. _____

_____

3. _____

_____

4. _____

_____

5. _____

_____

2) Now you must think about how you will make your poster. Remember all the characteristics of a good poster you discussed before. Decide about the layout, the colors, the pictures, the size of the letters etc. Make a draft. Use the space below to make a project of your final poster.
