

Read the information about a dinosaur and write a text about it.¹

Name:	Tyrannosaurus Rex
Size:	Up to 12 meters
Diet:	Carnivore
Characteristics:	<ul style="list-style-type: none">● the greatest predators● lived in the Cretaceous period● length: up to 12 meters● 20cm teeth
Abilities:	<ul style="list-style-type: none">● hunt their prey over short distances● ran up to 32 km/h● surprise their prey by hiding in undergrowth● flex their neck to adjust the angle of attack

Now it's your turn to write.

Write a text similar to the one you wrote with your teacher. You must use the T-Rex's information above.

To make it more interesting, you need to draw a picture of the dinosaur to illustrate your text.
