

**RESOLUÇÃO DA ATIVIDADE PRINCIPAL**

Os polígonos recortados de “uma” folha ficam distribuídos dessa maneira na cartolina:

Triângulo	Quadrilátero	Pentágono	Hexágono	Heptágono
polígono	polígono	polígono	polígono	polígono
	 		  	  
Octógono	Enoágono	decágono	...	...
polígono	polígono	polígono	polígono	polígono
				

Os desenhos dos polígonos que faltam estão em vermelho. Os mesmos podem variar de acordo com os alunos, estarão corretos desde que respeitem o nome do polígono.
