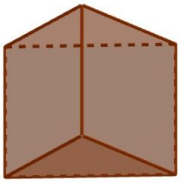
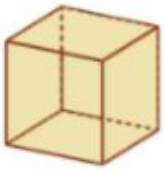
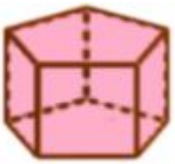
## Atividades Complementares - MAT6_14GEO03

1) Observe os prismas abaixo e complete a tabela:

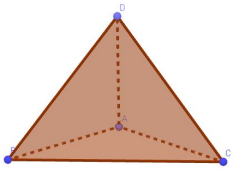


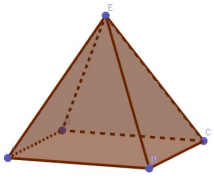




| Número de arestas da base | Número de vértices do prisma |
|---|---|
| | |
| | |
| | |

2) Observe as pirâmides abaixo e complete a tabela:





| Número de arestas da base | Número de vértices da pirâmide |
|---|---|
| | |
| | |
| | |

Analise as questões anteriores e descreva as diferenças identificadas entre prismas e pirâmides:

| |
|---|
| |

3) **[Desafio]**
Se a base de uma pirâmide é um quadrado, quantos vértices terá em um conjunto de 5 dessas pirâmides?
