

## **FAVORITE FOOD (REACT: Opinions #4)**

Dash: My favorite food I knew this one was coming.

Vera: This is a hard question I like so many foods.

Jayka: My favorite food is macaroni and cheese, even though orange is a yucky color I still like it.

Robert: My favorite food is mango. I lived in Thailand before. The mango there tastes better than here.

Royel: Pizza.

Kacey: Pizza.

Krischelle: Fettuccine Alfredo pasta.

Melvin: Pasta. It's easy to make, easy to eat and you can get it done any way you wanna make it.

Dash: Gnocchi. It's spongy, it's messed up and that looks awesome and it's good.

Maxim: I loooove soup, baby. Clam chowder.

Evelyn: Chocolate. Always chocolate. It makes you happy.

Virginia: When I'm out to dinner or anything I always order salmon.

Seth: Going with Asian roots right here (points to the heart). Korean barbecue.

Brooke-Monaé: Hot dog. Hot dog. Hot dogs. No relish. I hate relish.

Don: I love fried chicken. The dark meat. I mean, that's the only way to go.

Samirah: Five guys cheeseburger.

Mary: Popcorn. I don't get the prepackaged ones. All from scratch. Exclusive olive oil. When I was young on Saturday nights my dad, my sister and I used to play poker and make root beer floats and pop popcorn.

Everhet: Hands down, 100% bacon. Bacon is like the food of the Gods bestowed upon men. My mom won't let me eat as much bacon as I'd like to because if I do I will get fat which sucks, so that's the only drawback to bacon.

Lloyd: What is my favorite food? Lobster.

Tom: My favorite food is butter drenched lobster. My parents hate me for that because that's super expensive.

Rhoda: My favorite food is more. I like buffets, I like unlimited food, I often don't care what the food is, I just wanna be able to have as much as I want of it.

Vera: Probably sushi.

Sophia: Sushi. I could probably eat it like every day and not get sick of it. I'd crave it all the time like in the morning I could probably eat it.

Sam: My favorite food is sushi. The day that I was born my dad was in the car with her and he said where do you wanna go lunch, and she turned the car on and said sushi and as soon as she said sushi her water broke and I came out because I wanted some of the sushi.

Interviewer: Isn't it really bad to eat raw fish when you're pregnant?

Sam: Oh my God, that must be why I'm such a freakie (laughing).
