

## **Output Guidelines**

You will write **arguments based on research** to answer the following question:

### **HOW CAN THE INTERNET IN MY SCHOOL GET BETTER?**

1) Do some research on Internet

Suggestions: (please, look for others too!)

<https://www.statista.com/topics/2045/internet-usage-in-brazil/>

<https://www.zdnet.com/article/internet-for-all-plan-advances-in-brazil/>

2) Remember to some expressions to present your research:

- According to...
- Research from .....suggests that....
- Data from.... says that....
- Etc.

3) Have in mind the person you are writing to.

In this case, you are writing to school authorities.

4) How can you start writing the pieces of information that you have researched?

Observe the model you saw during the class.
