# MAD MONKEY HOSTELS CLEAN WATER PROJECT

**DONATE**

## A WELL

\$320 USD is all it costs to build a well that changes a family's life! 100% of your donation will be used to build the well; 0% gets tied up in any administrative costs. The wells are built in rural Cambodian villages outside of Siem Reap through our trusted partner, the **Trailblazer Foundation**. You will receive pictures of the well and the village it is in once it is complete. You can donate now with any bank card. Read on to learn more, or click the button below to donate.
